Happy Friday everyone! I hope you were able to attend & support last night's dinner for the LC 4th grade trip to the 36th Annual Shrine Circus or the Annual Missaukee Conservation Dinner. March is less than a week away, and GFITN18 planning is in full motion, we have received our official raffle license and tickets will be ready for purchase in the next coming weeks. We are happy to announce that we are raffling off another Chevrolet Camaro Coupe LT Turbo (#8!) in partnership with our friends at Classic Chevrolet. It's silver in color and features Chevy's sleek Redline Edition - it's a beautiful vehicle folks! Keep an eye out for her arrival, if I play my card just right, there may be a very familiar voice helping us out with the sale this year, I know I have missed hearing her & I bet you have too! RE/MAX Land & Lakes will be again sponsoring our 2nd Prize – an overnight Casino Getaway Package & our own beloved Gene Schooley will be donating our 3rd Prize which is her custom handmade dolls again this year, however, she has informed me that this will be her last year doing so, it sounds like she may decide to enjoy a little bit of retirement. Thank you so much Gene for your years of support towards our annual celebration & our community as a whole. We will miss her involvement, but, sincerely appreciate all her generosity. We are still looking for some great local entertainment during our celebration this year; interested parties can call us at 839-4969 or email: info@lakecitymich.com.

Congratulations to the Missaukee Commission on Aging! They just received 2 grants from the Cadillac Area Community Foundation. The 1st grant helps fund their employee on-line training tools so they may have individualized training to help them best care for the folks they service. The 2nd grant received helps funds their non-emergent medical transportation services they offer, there has been quite an increase in need around the area; this service is free to qualifying seniors & adults with disabilities. For more information, you can contact the COA at 839-7839 or visit them on the web at: www.missaukeecoa.org.
