

We sure had a great time handing out candy for Trick or Treat on Halloween! I loved getting to see the awesome costumes and all the families & friends out celebrating. Special thanks to Simplicity Pictures; they spent the evening with us taking fall themed photos for our patrons and then gave them away for free! Tina and Autumn did a great job and we are happy to support this small business trying to make a name for themselves offering affordable photography. If you haven't picked up your photo yet, we have them here at the Chamber office. The girls will be back during our 2<sup>nd</sup> Annual Lighting by the Lake that will be held in downtown on December 1<sup>st</sup>. This time they will be offering pictures with a holiday theme here in the Chamber office, there will be a small charge for the pictures (I believe \$2). While plans are still being finalized, we do know there will be cookie decorating, ornament making, craft &/or project making, pics with Santa, caroling, letters to Santa, Fire Trucks, to just name a few, all this leading up to a community lighting of our tree in the park. I hope to see a great community turnout for this event as we kick off the holiday season!

So, while most people are thinking about Thanksgiving and Christmas, honestly, I am thinking about the Greatest 4<sup>th</sup> in the North! We are looking for 2019 theme suggestions and want to hear from you! We will most likely have a meeting scheduled that will be open to the public in the next few weeks. I will announce this as soon as we confirm a date and time.

Good luck to our undefeated Varsity Football team tonight as they take on the Roscommon Bucks. Doors open at 530p & the game starts at 7p.
