

Greatest 4th in the North Firework Sponsorships

Dear valued Greatest 4th in the North supporter:

Our annual Fireworks display is a staple at the Greatest 4th in the North celebration held every summer bringing thousands into our little town. As you can imagine, it comes with a price tag of around \$12,000 each year to make it happen, this year we are facing about a 10% increase due to recent rise in cost.

We are proud that our celebration brings in family entertainment with most of it at no cost to our guests. Because of that, we created Sponsorships to solely help offset the cost of the Fireworks display that will be held over beautiful Lake Missaukee. These sponsorships were created based on the names of actual fireworks we use, the pricing and benefits are different amongst them, the best part is that there is unlimited amount of sponsorships available!

Unlike the Festival Sponsorships that are used to help bring entertainment and help cover other expenses, these funds are utilized solely to fund the fireworks display presented on July 4th!

Enclosed you will find the details of each level of sponsorships. If you are interested in being a sponsor; simply fill out the enclosed form and return to the Chamber office. You can send it back via email, fax or mail. We kindly ask that all commitments are paid by June 24th, 2019.

Thank you in advance for your consideration & generosity!

Kind regards,
